

Welcome to the 2023-2024 Season for the Westshore Community Concert Band.
Rehearsals are held at The Forge Church, 2612 Sooke Rd., TUESDAYS at 7:00 p.m.

Website: www.westshoreband.org

Email: info@westshoreband.org

Health protocols:

- Brass players are requested to bring a small towel on which condensation may be caught. Wind players should also ensure they have adequate swabs and absorbent papers to capture moisture.

Dues:

- Yearly membership dues are now \$125 for adults and \$65 for students, and may be paid by cash, cheque (made out to "Westshore Community Concert Band") or e-transfer sent to "payment@westshoreband.org". The dues are used to pay church rental, insurance, music supplies and other operational expenses. If you intend to stay with the band, dues are required within 4 weeks of joining us. If you are unable to pay the dues, you may discuss with a board member your reason to be considered for exemption. If you wish to pay by credit or debit card, you will be charged the processing fee in addition to the amount of the dues.
- You **must not** take music home until after you've paid your dues and turned in a current membership form.

Music:

- You must sign for your assigned music folder. See the Librarian (Robert Hume, string bass) for this.
- The Librarian will endeavour to provide a folder for each player. Robert is deaf, and with the ambient noise in the hall is sometimes unable to hear you if you request missing parts at the rehearsal; make the conductor aware that you need a part and he will alert Robert.
- It is YOUR responsibility to keep your music folder in good order and good condition, with current repertoire. Please DO NOT exchange parts between folders.
- If you know you will absent for more than one rehearsal, please leave your folder of music at the church.

Basic rules:

Rehearsals and concerts tend to be friendly and fun events, but there are some courtesies to be expected from members:

- Follow directions for hand sanitizing and any other health requirements.
- Downbeat for rehearsals is 7:00 p.m. Please arrive in time to set up and warm up before 7:00. Please do not start warming up before 6:45 p.m. and play QUIETLY because the general din makes it impossible to hold conversations.
- If you are going to be late or absent please let the conductor know: conductor@westshoreband.org.
- Please keep chatter to a minimum during tuning and actual rehearsal time.
- Intermission is intended as time to rest the face muscles, so please do NOT blow your instrument. This is the appropriate time to get to know the rest of the band members, and for the directors to hold brief meetings if necessary.
- Each member must bring his/her own music stand.
- After rehearsal, members must stack their own chairs and assist generally in any other clean up tasks.

Repertoire, calendar and website:

- Check the Events page of our website for regular updates: www.westshoreband.org/events.shtml. On it is a link to the band's Google calendar that will list all rehearsals and events. Cancellations/changes will be posted there as soon as possible after they become known.
- The conductor will display each week's planned rehearsal list on a white board at rehearsal. Members should follow the list to reduce wasted time and disruption between pieces. The following week's rehearsal list will also be distributed by email, and on the Google calendar for your convenience.
- More information about the band, its history, upcoming and past performances, band constitution and bylaws and other links may be found at www.westshoreband.org.

Band uniform:

- Each member must provide their own white shirt, black pants/skirt, and dark shoes
- The band usually provides black vests for formal performances. We will endeavour to supply each member with one in their size but there are no guarantees..
- For casual performances, a red golf shirt bearing the band logo or a red t-shirt may be worn (with the usual black pants/skirt).
